RORKE'S DRIFT LODGE KITCHEN

Breakfast is the best way to start the day and we have taken great care putting together a choice of breakfast options to satisfy your hunger and introduce you to some traditional breakfast options that are not to be missed. We are proudly South African and very excited to share with you our rainbow nation flavours!

With so many inspiring influences in just one country, we are inspired to change our menu on a regular basis to include as much as possible of this culinary journey we are on. We always strive to improve and are pleased to be able to offer you our best traditional fare.

Most dishes are served in portions for 2, providing convenience and no fuss freedom in choice. Your meals will be delivered on trays in serving bowls and platters by our friendly local Zulu waitresses that are here to make your stay memorable and comfortable. Dishes will be collected after breakfast while the unit is being serviced.
